

ACADEMY DEL SOL PRESS/MEDIA RELEASE

SENT TO "THE DAILY TERRITORIAL" AND MAJOR EMPLOYERS CONTEMPLATING LAYOFFS

ACADEMY DEL SOL, INC. Announced its policy for providing free and reduced-price meals for children served under the **National School Lunch Program**. **ACADEMY DEL SOL** offers healthy meals every day. Lunch cost **\$3.00**. Your children may qualify for free meals or for reduced price meals. Reduced price is **\$0.40** for lunch.

To apply for free or reduced-price meals, households may fill out the application and return it to the school unless your children qualify for free benefits (see below). Application forms are being distributed to all households with a letter informing households of the availability of free and reduced-price meals for their children and what is required to complete on the application. Applications also are available **at Academy Del Sol**. The information households provide on the application will be used for the purpose of determining eligibility and verification of data. Applications may be verified at any time during the school year by school or other program officials. An application for free or reduced price benefits cannot be approved unless it contains complete eligibility information as indicated on the application and instructions.

The household size and income criteria will be used to determine eligibility for free and reduced-price benefits. Children from households whose income is at or below the guidelines are eligible for free or reduced-price meals.

Your children may qualify for free meal benefits if the household receives benefits and/ or if the child meets a categorical requirement:

- The Supplemental Nutrition Assistance Program (SNAP)
- The Temporary Assistance for Needy Families (TANF); or
- The Food Distribution Program on Indian Reservation (FDPIR)
- Homeless, migrant or runaway as defined by law; or
- Enrolled in an eligible Head Start, Even Start or pre-kindergarten class as defined in bylaw
- Foster children that are the responsibility of a welfare agency or court regardless of the income of the household with whom they reside

For any child not listed on the eligibility notice, the households should contact the school about any child also eligible under one of these programs or should submit an income application for another child.

If households/children receive benefits under Assistance Programs or other source programs are not notified by the school of their free meal benefits, the parent/guardian should contact their school.

Under the provisions of the free and reduced-price policy, Noemi **Pereyda, NSLP Director** will review applications and determine eligibility. Parents or guardians dissatisfied with ruling of the official may wish to discuss the decision with the determining official on an informal basis. Parents or guardians wishing to make a formal appeal for a hearing on the decision may make a request either orally or in writing to **Jason Riegert, 7102 W. Valley Crest Place, Tucson, AZ., 85757, (520) 789-7731**.

If a household member becomes unemployed or if the household size increases, the households should contact the school. Such changes may make the children of the household eligible for benefits if the household's income falls at or below the level.
